

THE
THEATRE

History

Everybodys Theatre was originally built as a general store between 1912 & 1914

1912 & 1914

It was extended to become a picture theatre in 1921

1921

In 1980 \$55,000 was raised by the community to make it a community asset, which has been run by volunteers since.

1980

The theatre was yellow stickered by STDC and closed until structural strengthening was completed.

2012

The completion of interior refurbishment
At a cost of over \$900,000
Installation of projector

2015–2016

Stage Curtain, lighting and sound system.
Contracted Manager

Mission Statement

- The Trust respects the unique bond between the Theatre building and the Opunake community and keeping this in mind, has worked to make the Theatre a multi-functional facility that everyone in the community can benefit from.

R
H

Vision Statement

- To be a national location to visit as well as serving the local community as a boutique entertainment experience for Everybody.

Values

- The Trust values feedback from the community to determine the future of the Theatre building; so the building is maintained at a high standard in the Opunake Community.
- The Trust will strive to keep and protect the building and honour all the volunteers who have given so much to ensure the Theatre is a success as well as seek to meet the Community's needs.
